CQI ANNUAL LUNCHEON

For years CQI has held an annual luncheon to gather our community, to celebrate successes, share good news and our plans for the upcoming year. In 2022 we will hold a similar event, but in a new format. One that is more interactive and engaging. We can't wait to see you there.

ATTEND

Please mark your EXPO calendars for midday on Saturday, April 9, 2022.

We will offer a strolling luncheon intermingled with several CQI "communities." These interactive areas will be staffed with people waiting to answer your questions and to help you learn all the ways CQI can be a part of your coffee journey.

SPONSOR

The CQI Luncheon is a chance to get together, but it is also an annual fundraiser. Please consider a sponsorship to help us improve coffee quality and the lives of people who produce it.

Table Sponsors: \$2,500

In the center of the ballroom, tables will be available for open seating. On each table, a placard display will recognize that specific sponsor and they will be able to place collateral on their sponsored table. Additionally, each table sponsor will be recognized in the scrolling display and on entry posters. Each \$2,500 sponsor will receive five entry tickets that include lunch.

Food Station Sponsors: \$2,500 (4 available)

Food station sponsors will receive five entry tickets and be recognized with signage at the sponsored station. Each station sponsor will also be recognized in the scrolling display and on entry posters.

Coffee Sponsor: \$5,000 (SOLD)

We are seeking one sponsor to highlight their coffee at the event. The coffee served will be chosen by this sponsor and served at specific coffee stations. These stations will have recognition signage, and the sponsor will be permitted to leave collateral on the coffee stations if they choose. This sponsorship includes ten entry tickets.

General Sponsors: \$1,000

General sponsors receive three entry tickets and will be recognized in the scrolling display and on entry posters.

To become a sponsor please contact Kristin Schrader at kschrader@coffeeinstitute.org
